PROPOSED DRAWING CORRECTION

Assistant Commissioner of Patents
Washington, D.C. 20231

November 29, 2002

Sir:

It is proposed to correct Figure 1 of the formal drawings filed November 6, 2001 by changing the lead line from reference numeral 7 to properly designate the location of the thermal grease between the lid and the heat sink as referred to on page 8, line 4 of the specification.

The proposed correction is shown in red on the attached copy of Fig. 1. A corrected Fig. 1 containing the proposed change, is also enclosed in the assumption that the correction of the drawing will be approved.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
